

THE NURSERY NEWSLETTER

JULY 2013

Good-bye

The staff would like to say good-bye, and wish all the children leaving our care at the end of the term to start their school life all the best. It has been a joy and a pleasure working with the children and of course parents also. Good Luck to all.

Safety

Parents are still forgetting to close the main nursery gate after they enter/exit. Please be more aware, after all it is for the safety of your children. **Make sure the gate is closed.** Thank you

Requests

Could parents please ensure that their children have the appropriate clothing for our very unpredictable British weather. Also can you make sure your child has a spare set of clothing which can stay at nursery in case of accidents.

Toddler Room would like parents to bring some photos of special people in their child's life so they can make a display.

We are always in need of empty boxes of various sizes, plastic tubs, cartons etc, in fact anything the children can make junk models out of.

Freddie the Teddy

There will be a calendar placed in the hall beside the children's coat pegs for you to book Freddie out. Maybe to take on a small holiday or just for your child to spend some special time with him.

Thank You

A big thank you goes to the Staff and residents of Brockwell Court for inviting us to their Creepy Crawly Day

The children had a fantastic time talking about different creatures and really enjoyed handling exotic creatures such as Tarantulas, Snakes and Dragon Lizards and Bull Frogs.

Government Time

Government time ends Friday 19th July and resumes Monday 2nd September. If you require holiday care we will be open as usual all through the holidays.

As from September we will be able to provide places for two year olds funded by government. If you are interested please see a member of staff.

Development Files

If you wish to take your child's file home to show your family and friends then please do not hesitate to ask your child's key worker.

Also comments from parents would be most appreciated, both in your child's file and general comments about the nursery. We value your opinion.

Open Day

We are planning to hold an open day in September. We will confirm the date nearer the time. This could be a good opportunity for your friends to look around the nursery if they are requiring child-care in the near future.
